## Panel Discussion “Indigenous Peoples and Traditional Knowledge: EA Best Practice”

At the International Association of Impact Assessment (IAIA)  
Conference, Montreal, QC, 4-7 April 2017

**Lead Chair:** Rachel Olson (The Firelight Group)

**Co-Chairs:** Martin Haefele (Yukon Environment and Socio-economic Assessment Board), and Alistair MacDonald (The Firelight Group)

The session will discuss best practices for the consideration and integration of Indigenous knowledge into the different stages of the Canadian EA process. Topics will include methods for engaging with Indigenous communities, and processes and protocols for integrating Indigenous knowledge.

The session will be organized as follows:

- short presentations/initial comments;
- questions from the moderator directed to the panelists; and
- questions from the audience.

If you have experience and information to share on this topic, please submit an abstract using the online IAIA form with Session Proposal ID 267, at:

<http://conferences.iaia.org/2017/abstract/index.php>

**The deadline for abstract submission is 31 October 2016 (submissions close at 11:59pm Central Standard Time).**

If you have questions, please contact us well in advance of the deadline.
